## Responsibilities

Internal Quality Assurers and the Managing Director are responsible for this procedure. They will review it within the timescales required by the Awarding Body (or annually as a minimum).

## Procedure – All Training courses and frameworks that are internally quality assured

1. The learner will be informed of the appeals procedure during their induction (or subsequently if necessary) having been issued with or being made aware of the 'Appeals Procedure Structure'.
2. If a learner wishes to appeal against an assessment decision, they must be advised to lodge their appeal, in writing, setting out the grounds for the appeal with the Internal Quality Assurer for that program area within 20 days of the assessment decision.
3. The Internal Quality Assurer will then set a date for the appeal to be heard by another Internal Quality Assurer within 20 days of the appeal being lodged.
4. The learner should be offered assistance in putting their case forward and may, if they wish, be represented by another individual.
5. The learner will be notified of the panel's decision at the hearing and the Internal Quality Assurer, within 5 working days of the hearing, will confirm this in writing.
6. If the learner remains dissatisfied with the outcome and response, the appeal must be sent in writing to:

Head of Centre  
Qdos Training Ltd  
Byron House

Mansfield  
Nottinghamshire

In situations where the appeal process has been followed and the learner remains dissatisfied, they can escalate their appeal to the relevant awarding organisation. If the awarding organisation is unable to resolve the situation, the relevant Qualification regulator will be contacted.

7. Where the Awarding Bodies offer their own appeals procedure, this may be invoked by the appellant in place of, or as a result of this procedure.
